71 DAYS PAST

294 TO COME

## In Bright's Disease.

The Anemia of Bright's is usually benefited by direct hematinic treatment with

## Pepto-Mangan ("Gude")

which is especially valuable because it does not disturb digestion or irritate the kidneys.

Weather

Fair & cold

Temp.

John took the girls to school.  
Then home. Then this afternoon  
John went to Mr. Wald's Bentley's  
funeral. & Mr. Ed. Thompson  
went with him. Eugene was  
to Mr. Dances this afternoon & for  
supper drove Mully. They were  
manure this forenoon, John is  
down to sheets to night & Eugene  
to Mr. Bingham's. Lewis & Bell  
was at the gate a minute  
on their way down to Louisa.  
Good wheeling roads quite dry  
Sold the real calves  
Billy & Polly 9.
