

June

THURSDAY 4

1874

Replowed the turnip lot
it is now in fine trim -
Started plowing the summer
fallow with the other team.
A prodigy arrived today in
the shape of a black lamb, it
is nearly twenty years since we
had a black sheep. The
currant-worms, potato bugs, &c.
are here now in full force -

FRIDAY 5

Dissolved 5 lbs of McDougall's
tick destroyer in 25 gals of
water and dipped all the
lambs into the liquid -
Spent afternoon at Mr Ben
Watson's place to raise a straw
house. This evening at the
Edmonton Temple the meeting
was open to the public and the
little church was filled -

June

SATURDAY 6

1874

The entertainment last night
was readings, dialogues, &
music mostly from the
members. Spent today at
plowing in the fallow -
set out 100 cabbage plants
in the garden, the blossoms
on the fruit-trees are very
plentiful -

SUNDAY 7

The weather to day was
very warm and attended with
several thunder showers, in
the early morn there was a
heavy mist and thunder,
which does not often occur -
Spent the day at home at
reading. Heard Mr L. Holby
preach tonight in Brampton -
text - I Kings XIX, 4th verse -
