

still showery today
and still very cold
with strong east
wind. Clearing straw-
berry plants all morning
May 8th Sunday had
supper at Hicks and
had Harry + Stan
at the house after we
got home. Showery
all day.

May 9th cloudy and
some milder. Men
transplanting cabbage
we are trying some
second early ones.
to try + get them ready
between the early and
late ones. Rain tonight.

May 10th. More Rain. cold
East wind yet. nothing
much done. first sprayed
and got a few more
crates at uplons.

May 11th. Rained again
all night I guess and
still raining this
morning. Guess our corn
+ beans we planted
will never come up.
planted. some more
strawberries, (short rows
behind hedge (24) + 5
long rows next chicken
house and 15 rows all
but one on far side.
of small patch are
Premier.
