293 DAYS PAST

SATURDAY 73 TO COME

**To Remove Silver Nitrate Stains from the Skin.**

The *Therapeutische Monatsschrift* recommends:

R Bichloride of mercury, {  
Ammonium chloride, } .....aa 10 grammes  
Water, .....80 grammes

M.

The stain is said to disappear immediately.

**Pepto-Mangan (Gude)** is a tonic of positive merit indicated in all cases of general debility.

snowed about three or four  
seconds the rest of the day was  
rather fair. Carl Adams helped  
all day we gathered the dahlies  
gladiolis, killed cellery, cleaned  
under the south barn Aunt  
Bell came & Lu and I went  
to Apleron. Mrs Herbert was here  
soo honey got two dollars worth  
Melba washed. Maudie was  
sick all night; we had to  
keep hot applications on her  
leg all night & all day to day  
Aunt Bell was here for dinner  
I paid up every thing & the milk
