NOVEMBER THURSDAY 18 (322-43) 1915

fine but cool. I unloaded a load of wood and piled wood in wood shed in forenoon. I went over to farm and got a load in the afternoon Cliff here for tea tonight. I piled wood until late

FRIDAY 19 (323-42)

Rained hard all day. I made frame for Wood Shed Window and put it in. brought down a Seperator in afternoon from shop Mamie and I cleaned it up in the evening

NOVEMBER SATURDAY 20 (324-41) 1915

rained nearly all day. we did not get up untill late. I puttied in the glass in the wood shed Window in forenoon. I made shelf for our Bed Room and put hook up in front Room Closet in the afternoon. at Home in the evening

SUNDAY 21 (325-40)

fine but very Windy. Henry Joe Mc Elroy Alton and myself took the Launch and went to Jones Falls to see Clella came home in the evening Mamie and I went to English Church in the Masonic Hall tonight
