

Finished drawing in from other place about
ten then drawing barley from back of barn
and mixed grain.

Uncle Will came on night-train.

Quite showery in morning. Fine and windy
in afternoon. Shower in evening & cloudy.

TUESDAY, 26

(238—127)

Drawing in all day from back at Roy's
line fence.

Misting at times in forenoon. High wind
in afternoon.

Dr. W. G. Gage here.

WEDNESDAY, 27

(239—126)

Drew in two loads in morning. Then fixing
gaps & chopping.

Making a ladder in afternoon.

Quite heavy showers at times. Too wet to
draw in.
