

28

September the 1903

- 1 I trimmed the trees out in the long field and plowed a little
- 2 I drewed golddust and plaid with daddy and took my hogs down town and got \$78.75 for them I had six of them
- 3 I worked on the shanty in the bush to day it was a fine day
- 4 We drewed goldust all day it was a fine day but still wet and looks wetter to night
- 5 We finished halling manure to day it was a fine day Roseve went to town to night
- 7 I dug potatoes in the garden and fixed the bins in the granary and spread manure and plowed a little

29

September the 5 1903

- 8 I drawed two loads of ashes out back and plowed some it was hot to day
- 9 I thrashed to day I had 710 bushels of oats and I helped but thrash too
- 10 I went to the sea at mister botswards it was the worst mes I ever sen the oats was rotten the toad stools was all over the top of the mow
- 11 I went to the sea I will be glad wen I am home again
- 13 I plowed all day it was a hot day Antie thuldry was hear to day
- 14 I plowed and roled it was a hot day
Bidry is sick to night
- 15 We worked on the wheat ground this forenoon it rained all after noon and still rains
