331 DAYS PAST

*Weedhead*

35 TO COME

**Excessive Blood Losses**

at the menstrual periods frequently lead to a considerable degree of Anemia, and an efficient hematinic is always in order. **Pepto-Mangan (Gude)** is not only efficient in the way of overcoming the anemic condition, but is also pleasant to take, free from irritant or disturbing action upon the digestion, and devoid of constipating effect.

**Weather**

**Temp.**

cold north east wind  
clouds all day. I put the  
clothes out but they didn't  
dry much, but we brought  
them in they froze hard  
& dried them in the house  
Have part of them ironed  
John ploughed down on  
Bogles before dinner & after  
dinner went for a load of  
gravel. Charley Marchant came  
& brought the Boddy sheep out
