187 DAYS PAST

178 TO COME

Tuberculous Anemia.

Plenty of food, air and sunshine are distinctly supplemented by

Pepito-Mangan ("Gude")

the one efficient preparation of iron that builds blood without disturbing the digestion.

Weather

Temp.

Warm The boys went
to the north place. Eugene
went to Bull & Maudie
went with Lin Miller
& washed & yoned Mrs
Marchant came to
night. Pat & Maudie
went to Ay-lues for
a trip soap
Billy 10. Dolly 17. Dell 12
