31 they drew in the grass peas put them in the New Barn fine drying day

pt 1886

5

1 Ad began to plow for fall wheat near the
west corner of the field and in the process

18

2 Charles Rath came this forenoon to cut the spring
wheat got it done afternoon of Friday

Ad got
from
the
1

3 Ad and Lonnie helped Bruce with his harrow
till near night they got home to draw in
one load of wheat they left it on the wagon

3 we
long
the
the

4 Bruce's boys came out this morning to help
they drew 2 loads of wheat & one of hay
and that finished our harvesting they went to help
Rev. W. Millard had the communion home

Ad got
in the
from

5 near the church was well filled there was 50 loaves taken
in

6 Ad and Lonnie drew dung to the North field east corner
Ad cut out a hole for a window in wood shed for light

7 they drew dung in the forenoon helped Bruce to draw in
in the afternoon fine day very dry weather

8 they went to Bruce's this morning they finished his
his harvesting it has been a fine time for getting it in

9 Ad and Lonnie is drawing dung to the north field
little rain is forecast last line he is intending to sow fall wheat on it

10 they are working at the dung a fine for it

11 do do do do (day)

12 Rev. W. Millard preached this evening rain most of the
this morning

13 Ad went to plow for the wheat Lonnie is spreading
dung they drew dung half of this day

14 Ad finished plowing for the fall wheat
to day there was a fine shower best night

15 Ad sowed 4 1/2 bushels of fall wheat it was
nearly all wheat with Bruce's drill Ad dragged on it nearly all the
forenoon then sowed & I dragged Ad went young
with Bruce in the afternoon intending to go to Unionville

16 heavy rain all night and most of to day no work
done outside I expected to go to Unionville the rain
is so heavy that Charles Rath did not come for
some

17 Lonnie drew stones for Dr. Hannabell well Baynes
W. Mill helped him to load they drew a load

some

Sept 1856

18 Journey down Stones for Dr. Flannak with this fine

19 they down loaded & started at 11 o'clock of the

20 ridges of the fallow eat in the afternoon

21 Rev. Mr. Fuller preached this morning in a goodly

22 Ad and Tommie dug up the potatoes

23 Excelsior had 6 bags and some wheat he got the bag

24 fine ground they could not grow the wheat in wet

25 Ad went to work this morning with the wheat

26 Tommie dug potatoes at home before dark some in digging potatoes

27 Ad drawing Stones for the Dr. with Tommie & Up

28 Tommie finished digging three potatoes in the garden

29 and then he split wood

30 A little rain this morning got the bears into the

31 Burn Hills Tommie showed them heavy rain in the

32 Rev. Mr. Millard preached this evening wet day

33 Ad plowed in the North field this afternoon

Oct

1 Ad plowed his forenoon Slept Mc Kay came
Laramie to feed and chimney by west side of the
of Benmore some finished the potato

2 Ad is at his chimney with Hugh Minner and
Melores gathering spels fore day

3 Revd Mr. Millard this morning fore day

4 Ad plowed this forenoon he was fixing things
at home some split some wood

5 we are all fixing for our fair fore morning there
is a turnout Ad 2 old ewes 2 yearling 2 ewes lambs &
2 Ram lambs Cows 1, 2 year old heffer 1 heffer calf
and Bull calf. Cithorans and Beavers

6 I have been in the Hall all day too day & yesterday
there is a great crowd of people both in and out
of the Hall it is a grand success

But
Case
Sta
Fr.

7 Ad was getting fixed after the Fair one of our Ewe lambs
got killed I skinned it to see what killed could see nothing
wrong with it the blood was all around its heart

8 Ad is plowing in the North field some is cleaning
& shoveling the head ridge of the fall wheat

9 the tractors came last night they thrashed out
what was in the old Barn we had 51 bushel
of wheat and 185 of oats fore day

harriet is very
nearly
is what able
come down
in is here

10 Revd Mr. Millard preached this evening fore day

11 they ^{worked} three peas the grass peas and the others 30 bushel
there was 201 bushel of oats we had 464 bushel off
all kinds of grain there was two olives and Beavers

12 Ad is fixing up thing about about the Barn we cleaned
up 8 bags of wheat and he took to Tennants mill

13 Ad got home from the mill he brack the spring of
Buzay he stayed at Bales all night got home this

harriet is no
later

14 Ad plowed in the middle field some & me fixed fences

15 Ad is plowing in the middle field south very high wind
fences is plowed down some & me has been fixing them
up most of the day

- 1 Ad went with Boss Sander today on road in the rear of the concession
- 2 Ad went to the cherty to stump and plow he intends to stop all the week to work 4 bags of horseals & black barly to Escott mill for hogfeed
- 3 James is doing chores James Colhoun brought 4 head of cattle and put them in the pound

Dec 21 I drove out to the bush this forenoon
I went to get some of the afternoon

22 I went to the bush for the 5th time
that was then to the bush here the forenoon
I went to a meeting of the
and George Taylor in Home Street
they put me in charge of the saws done

23 I helped to Mr. Hill to thresh his stack the
team with horse they got done five days

24 rain and snow all day I had some work done
cold there is work done. Mike Rob came
up on the Express from Syria Station all night

25 he went home on the Merid this morning all well
had frost last night and today

26 Rev. Mr. Millard preached this morning here

27 I cut some wood in the bush in the forenoon
and he drew 2 loads in the afternoon that is
the dead wood that is the bush now

28 we all went to Election for our Section it was
held at the Station in Mr. Darlings corner tea house
I voted for Dr. Brewster I pulled the first I have
done that for a long time

29 I attended our School Meeting at Bradley was
relected again I took the saw to the Bar this
afternoon

the saw
took the
Bar

30 I went to Mr. Nicks for the saw this forenoon
and brought her home he brought the horse
power and the circular saw and set it cold day

31 Bruce and his two Boys came they set the power
and sawed all the wood that we had cut before
day with a little snow

1887

Jan 1 the Rev. Mr. Millard this morning in the church
2 snowed about 40 inches last night
the Rev. Mr. Millard preached at night & took

3 dinner to her school today very cold day she is
going to teach in the same place that she had 2 years

4 Ad got home this afternoon from Glen Buell all is mud
at 3 pm the roads is heavy

load and left it here it is ash and ellum

6 Ad went to Sand Bay and brought a load of
wood and put it in the Church shed for it

7 Ad went to Sand Bay and brought a load of
and left it here Ellen & me took dinner at Mr. Millards

8 there was number of the Church Managers there from
Fairfax & Sand Bay to see & arrange for to get started

9 Ad and Bruce killed the Kipper that he got from
Subster this forenoon he went for a load of

10 Ad went to Sand Bay and brought a load of wood and
left it here fine day but very cold

Principal
beautiful
on church
services at night

11 Rev. Mr. Millard preached here this morning

12 Ad went to Sand Bay and brought home a load
of wood fine day he left it here

13 Ad went to Sand Bay this morning it snowed
and blowed all day and filled up the roads

14 Saw that he had unload his wood and come home
without any load the side roads is complete fiber

15 they have laid down some fences and is turning out
at our gate at the milk shed there is very little travel

16 Still storming this morning there is very no travel

17 there is very little traveling on the roads yet
we are just attending to the cattle storming still

18 Snowing a little this morning yet storming all
day

19 Rev. Mr. Millard preached here at night fine day had
drift so that we did not let the cattle out to water

20 Stormy day so that there is nothing done heavy wind and
drift so that we did not let the cattle out to water

21 Mr. McNeil Ad and other came as far as here and
the snow place they had two spaces of horse

22 they had two spaces of horse and it was
cland up about 10 o'clock it is not yet

very cold

1857

18 Storming this morning wind 3 miles
19 Stormy day wind 7 miles and drift with it with

20 would not get to the weather then night dark
20. Ad went to the quarry to the mill to load 3 loads of
wood of which he took 2 loads and some drift wood

21 Ad went to the mill for some time back
21. Ad put the sleigh and harness to his oxen harness
and net go to the quarry till today fine day in a dark night
he got home about 3 o'clock dark night

22 Still storming Ad brought a part of the great horse
saw going three cows about part of the meal
at noon as my day

23 Revd Mr Millard this morning heavy rain this morning
Mr Millard preached Mr. Jones Satimes funeral sermon

24 Still raining the snow is nearly all gone of the
fields so that they have to break the roads
in the night place Ad and other unloading in the
night place there is wind rain and snow at noon

25 Ad went to cross road where left his load on the
11 of the month could not get it. So he only brought
half of it very little travel on the roads yet

26 Ad went for the other half of his load of wood

27 Ad went to Sand Bay and brought a load of wood
he took he left it here the roads had yet

28 Ad went to Sand Bay brought home a load of
wood fine day it looks like a storm

29 heavy rain most off the night the snow nearly
all gone of the fields fine warm day the people
is drawing half loads of wood

30 Revd Mr Millard preached this evening very stormy at 4 o'clock
Snow and wind Ellen went out it was so slip that she came

31 Ad went to Sand Bay for wood and left it here

Ad went
to the hills
for the saw

30

31

Feb 1887

1 Ad went to Sand Bay and brought a load of wood he left it here

2 Ad went to Sand Bay brought a load of wood he took home very stormy day and sleat most of the day

3 Ad went to Sand Bay brought a load of wood took home, blowing day

4 Ad went to wood pile of A. Carnetho he has cut his part they are taken to Darlings warf fine

5 Ad went to Sand Bay and brought a load of wood and left it here I went to Fairfax to the preparation service and the service there was very few out cold day

6*

Rev W. Hillard had Communion at Fairfax the church was well filled while we were in it snowed about 2 inches

7 Ad went to Sand Bay brought a load of wood he left it here

8 heavy rain last night and this morning and all day no work

9 Ad went to Sand Bay brought a load of wood he took it home the snow all gone except off the fields within the night

10 Ad went to Sand Bay brought a load of wood he took home fine warm day for this time since soft

11 rain last night. Snowing and blowing this morning and all day so that I could not get the cattle out to go to the water heavy deposits the snow is 2 feet deep in the Barnyard the Roads is filled up in some places

no work done on the Roads

12 Ad went to Wm. A. Carnetho Brick Bee he is going to build a house he is getting the Brick at Gomanogue

13 Rev W. Morley preached here at night. W. Hillard went to Morley Town, Cointown & Foranerville W. Morley stays

14 Ad went Sand Bay brought home a load of wood

15 Ad went to wood pile of James Calhaws they get the wood at John Staces 6th on a little rain this morning

16 Rober Piathy came up from Young last night he went home this morning Ad went to Sand Bay and brought home a load of wood fine day

17 Ad went to Sand Bay brought a load of wood blanket

18 heavy rain last night and snow in rain this morning fine afternoon with heavy at night

19 Phila went to Delta with Kate and the cattle here

Ad went to Sand Bay brought a load of wood to Wallace from there

the morning went with him Ad went to Sand Bay brought a load of wood to Wallace from there

Feb 1887

20

Rev. Mr. Millard preached this morning

21

Went to Sand Bay brought home a load of wood
Friday Phil and I went out to see the drift
I got a bear cub for some time. Saw better than

22

Snow this morning. He also went to the station for
water for Taylor. I was the first to water. I have
been the first to water at our polling station for
the last 20 years and not lost a vote since.

23

He went to Sand Bay and brought home a load
of wood and fire wood.

24

Snowed about 2 inches last night. Rain after
day light and all the forenoon. Went for a load of wood
in the afternoon he took it home.

25

He went to Sand Bay and brought home a load of wood

26

He went to Sand Bay this morning for a load of wood
and took it home. It commenced to storm about
ten o'clock and stormed most of the day.

27

Rev. Mr. Millard preached here this evening. It is
a very stormy day with wind, snow and drift.

28

He went to Hbs for the horse pairs and saw
they were not done with it till the last of the week.

1887

March

- 1 Ad went to Sand Bay and brought home a load of wood
- 2 Ad went to Sand Bay fine warm morning brought a load of wood he left it here
- 3 Ad went to Sand Bay brought of wood left it here
- 4 Ad went to Sand Bay brought a load of wood from Sand Bay left it here
- 5 Ad went to Sand Bay and brought a load of wood he left it here
 he then went to Genoaque to the Lincoln horse meeting with Bruce Lennet and Phil went with Kate and the cutter
- 6 Rev. Mr. Millard preached this morning very few all there was about 3 inches of snow fell last night on the level it is very light fine day heavy roads
- 7 Ad has Mr. Clift filling and jointing the cirkling
 Saw Mrs. Sore brought the horse pair at noon they set it and got it going and filled the woodshed before night the wood is very wet fine day
- 8 Ad went to Sand Bay brought a load of wood left it here
- 9 he did the same to day
- 10 Ad went to Sand Bay and brought a load of hay of the new land that he took wood of put in the new
- 11 Ad went to Sand Bay and brought another load of hay that is it all but what he will want there for the spring work put it all in the new barn fine
- 12 Ad went to Sand Bay and brought a load of wood he left it here fine day
- 13 Rev. Mr. Millard preached here at night fine
- 14 Ad went Sand Bay and brought a load of wood he left it here Wat and Lizzie came from Delta this afternoon
- 15 Ad went to the River for ice Bruce was there got day he got 2 loads they have to cut 3 sides
- 16 he went to the River and got 2 loads more
 Wm. Scott came here last night he went with Ad to see the River where they get the ice
- 17 Ad went Blairs saw mill and got a load of wood
- 18 Ad drew a load of wood for Wm. McNeil from Sand Bay
- 19 Ad drew 2 loads of seaweed fine day they are for the house

I began to find the cows hay that was in the stable

very cold day

Sam came down on the Express from Genoaque

the night to the bank of the river

day Sand Bay

1891

Nov 18

Rev. Mr. Millon preached here this morning fine day

21 Ad went to Sand Bay and brought a load of flour for Walker fine morning day with much light snow

22 Ad went to Sand Bay to get out saw logs called the morning with a little drizzling snow winds from the North East and getting colder

23 This is a very cold morning bright and clear to be at Sand Bay he did not come here last night

24 fine day rather warm for the woods

25 A good deal colder than it was yesterday

26 A little rain last night there is about two inches of snow on the ground this morning but it is almost ice its so hard you can hardly see your track on it it makes splendid sleighing

27 Ad came this afternoon he saw three logs to the Mill the road is good

28 Rev. Mr. Millon was not able to preach he got a student from Kingston was Mr. McNeil he preached here at night

29 we cleared up 12 bushel of wheat and Ad took it to Escott Mill he did not his great boat with him

30 Ad went for the quest this morning we cleared up another bag of wheat for cricket wheat and he brought 12 bags of feed for the Cows a good of home from it was barley

31 Ad went to Sand Bay to get out more saw logs fine day but very cold

fine warm afternoon pretty cold this morning

1887

April 1 There was an emigrant whose name is John
which Ad had spoken to the Revd Mr. Tyle to get for
him Mr. Tyle brought him here this afternoon
he is from London England

2 I attended the meeting in the church parsonage before
the communion tomorrow there was five members received
two Miss Darlings two Miss Smiths and Miss Carnegie
she was baptised Ad came home from Sand Bay at night

3 the communion was dispersed this afternoon by Rev
Mr. Millard there 51 communicants partook five day

4 Bruce and Ad made a new frame for the gack
of the horsepair five warm day

5 Bruce and his boys Ad and John sawed wood here
very hard frost last night and a cold south west wind
they finished all air wood and took the saw & horse pair

6 they sawed ^{the} wallers wood to day and took the horse pair
to Ad and set it there five day

7 they finished Ad's wood and loaded the horse pair
and part off it Bruce took home with him Tommie
came home from Glenbeul on the pier Robie Betty
came up this afternoon with the slaff the roads from

8 Robie went home this morning to get a calf from Robie
and Tommie cook calf from us both and heffer Ad
took the horse pair to Bruce he going to help them to saw

9 Ad helped Bruce to saw the forenoon then he went
to the mill with Tommie and Tommie with the boys

cutting they this afternoon heavy rain at noon so
they could not do any thing the Newboys helping
them Ad brought the 2 year old heifer home

29 Ad went to Mr Nils on business it is very dull
day no work done

30 Ad and two of Bruce's boys went to Sand
Bay and stacked the hay they had it, waki
is a good fine drying day

31 Mr Willson a Student preached this evening

Mr Willson
a Student
came on the
Express
31

1887
August

- 1 Ad doing chores and him ^{Bruce} and went to see a ^{reap} ~~work at Baber's~~ ^{it is} ~~it did not work~~ ^{right}
- 2 Ad went out to Dulicomain to look a man to work he got one that is working Mr Ferguson ^{he will come next week}
- 3 Ad went out to help Bruce to stack he hose a Reaper and binder it came home at noon & cut some fall wheat it don good work it is Mr Sardon of Fairfax
- 4 they worked all day at the oats in middle & south field they are on the green side they cut the flax at ^{night}
- 5 Ad went to look for some cattle to take to the N. West he got some at J. Starks

A little rain last night every thing is wet

7

Tough Prior is the name of the man who comes to day

- 6 Ad and Binon drew in the spring wheat this afternoon it was a little damp in the morning Revd Mr. Nickelson preached this morning
- 8 Ad and Binon & Niel drew in nine loads of peas oats and barley and clean oats I do not know ^{many spots} of each
- 9 Ad and Philo drew in one load then his new man came and they drew 2 loads of oats and one of rakes I raked the wheat and oats ground the man went back to Fergusons after Supper

- 10 Ad and Philo & Florrie went to Gananaque to meet J. Stark with the cow & calf they went J. Haigh and got two calves a Bull & a heffer all full bread & butter
- 11 Ad is getting things ready for to the N. West he went to Brackville on the mixed came home on the Express a little rain it is very light

- 12 Bruce is cutting the oats with the Reapers this afternoon he finished them all but an some the
- 13 Ad and me got the two calves that he got from Mr Haigh to speak the Mullie cow and

14

- 15 Ad Bruce & Tough drew in 3 loads of oats & peas & barley and 1 load of raking. Finished the oats & barley to be swept he loaded up early this morning there five or six helped all that could be done they put in the 3 cows & 3 calves and thingy hoops all by the side the train came in about 1 o'clock & took his

Tough & Bruce with the morning

- 1897
 19 I sent a letter from Brackville that he did not leave
 Brackville till six o'clock this morning change of time
 fair this morning it did a great deal of good to me fixed
 the old barn floor and after chores to feed
 20 I finished hatching the peas I got a shower about five
 I cut the white Russian oats to day with the rye
 got Charles to mowing horse & shaft all mowed
 21 Bruce came here after breakfast so and him drew in
 the peas they put the peck ones over the sheep the others
 over the cows there was not a good load of both kinds
 I went with Bruce home before dinner with the team
 to help them to draw in from worm day
 22 Mr Snodgrass a student preached this morning
 23 I & Bruce and his two sons went out to Sand Bay
 and cut the oats then rake them up put them on each
 24 I raked up the whole Russian oats with Charles I
 helped him to load them and he drew them into
 the barn he put them on the scaffold Phila helped
 25 Bruce Rays and their team and I took team and
 all went to Sand Bay and brought two loads of
 oats that was them all there up a shower of rain
 just as they got them loaded and wet them
 26 I began to plow for the fall wheat in the fore
 noon is very dry I have been fixing the boxes
 27 I went to help Bruce to draw sand from the dam
 St Louisa they drew I thrashed the peas
 28 I went with Bruce again to day very dry weather
 29 Mr Willson a student preached here at night
 30 I is drawing dung he takes a load down with
 him and then he draws from the heap that is
 in the field and puts it in little heaps in the center
 of the ridges that he plowed before
 31 I is drawing dung the same as yesterday
 this forenoon we then went down
 to the gravel pit for to scrap out the water holes
 as they were dried nearly up Phila drove the horses &
 I held the scraper it was no go I went and got
 some Captains man he held the scraper & I drove
 we got better holes cleaned out with plenty of water
