APRIL FRIDAY 30 (121-245) 1920

It was quite nice I went out to George Riddle to hue some timber for him Mr Leigert went out to John

29 It was very warm the man was here testing the cows Georg Debbie came out to get some pigs we picked stones I went out to Freds for Ray

MAY SATURDAY 1 (122-244)

It was quite nice I went up to Spencerville for a load of coal and helped Mr Goons in the afternoon bring part of his building down from Shyrmer Wright Fred went to Ottawa Harry was here

30 It was showery we planted some potatoes and done the chores
