

cold in head + Bronchitis
another car of manure
arrived on the 9th July
John, Edgar + Donald
unloaded it as it was
a Saturday so Smith
has been sick the
same time as me, and
is still sick.

Spartan Radio seems
pretty good so we kept
it. cost \$322.50 Paid
\$240.00 cash and our old
alwater Kent. The
weather has been fine
winter weather. not too
cold but not thawing
any, and about 6 inches
snow on the ground
an ideal winter, so
far.

July 16th. Sat. - weather still
fine + moderately cold.
with some snow on the
ground. still feeling punk
Smith still sick
John getting manure
ready for making
first hot beds -

July 18th, John + Smith
put up first hot beds -
a little too early but
manure came early.

July 19th. turned cold
again 3 from zero cold
north east wind and
some snow.

July 20th. Very cold this
morning coldest this
winter of 14 below zero
but clear and no
wind.
