AUGUST TUESDAY 15 (227-138) 1922

Fine and warm today I took Mamie and the Kids down to her Mothers and Nellie Ida and I went over across the canal looking for high bush huckle berries we did not find any we had our dinner over there and came home in the afternoon very tired tonight

WEDNESDAY 16 (228-137)

Fine day around home all day not feeling well today Miss McBratney here for a while tonight

AUGUST THURSDAY 17 (229-136) 1922

Fine day not feeling very well around home all day I pumped up the pressure and washed my car in afternoon Ossie took it home with him tonight and left his teams here they started plastering the house today

FRIDAY 18 (230-135)

a little showery in the forenoon I went down to farm and went blackberrying I had dinner with Ossie and John Monaughan the finished the first coat of plaster on the old house today home for supper around home in the evening we went to bed early tonight
