123 DAYS PAST

243 TO COME

April 19, 1907.

Dr. B. Halstead Scott, Harrison, Ohio, says:

"I received the original bottle of Pepto-Mangan (Gude). Allow me to thank you for it and to say that I have used your product with the utmost satisfaction. As a general tonic I have found nothing superior to it."

A fine day. Mauchie & Luers went
down to the Caveries fishing
& got an nice lot of trout
John finished harrowing
his ten acres. The girls
took their lunch when
they went fishing. The
girls came back to
Agler on their way
home
