Dull, all day. Asmond brought Maude home tonight. The mud is terrible. Two men with a car became stuck out in front and we helped them out. Melba and I have been canning beef and quilting. Jim Weaver was down tonight.

Saturday 14.

Snowed a little and mud something awful. Froze a little last night and all thawed out today. Ma and I went to Aylmer with dad on the milk wagon this morning and they both had a hair cut. The girls went to St. Thomas for their lessons. Then Ma and I came home and Harry and Melba went to London to a show.
