APRIL SUNDAY 9 (99-266) 1922

Rained hard nearly all day around home John McKinley here most of afternoon it cleared up towards evening and very nice night very long day we went to bed early tonight

MONDAY 10 (100-265)

very warm today I split wood all day over to Office for a while this evening very tired tonight

APRIL TUESDAY 11 (101-264) 1922

rained hard all day I worked on the little Hayride Engine nearly all day. Fired up near evening over to Office tonight.

WEDNESDAY 12 (102-263)

rained a little in the forenoon I worked with the power Machines Willie Tate came up in the afternoon and I sold him the little Engine I got from Lord Sly for $5.5 also a plump Jack for $12 over to Office until quite late tonight
