

around trees in the
orchard. Red June
& Burbank plums
pretty well out in
blossom - Fine &
warm today, ground
getting dry. No rain
hardly so far this
spring.

May 13th Finished digging
around trees in young
orchards.

May 14th. Started
having old strawberry
patch.

May 15th. Warm &
dry. Having strawberries
look like a poor crop
all drying up.
put in half a day
watering hot beds.

May 16th. Cold again
this morning. some
more strawberry blossoms
frozen. Had a big
shower tonight. will
do a lot of good.
went into Hamilton
and brought Grandpa
& Grandma out for
over Sunday.

May 17th. Cloudy &
cool. This is first
day of blossom
week, not all out
here yet.

May 18th. Some frost again
this morning but do
not think it done much
damage here but some
places report damage
done to SB. & cherries
etc.
