AUGUST FRIDAY 4 (217-149) 1916

warm day I went down to Will Sweets in the forenoon and fixed his slings had dinner there and came home in the afternoon Addie and Nellie here for tea. I sawed up some old Boards until late tonight

AUGUST SATURDAY 5 (218-148)

very warm day. I got in some wood in the Woodshed in the forenoon Cliff came up and we took the Mogul Engine up from Ed. Putnams up to old shop and started it in the afternoon Gerald came up after us in the evening We went down with him and Stayed allnight

AUGUST SUNDAY 6 (219-147) 1916

fine day but awful smokey Gerald Mrs Cockrill. Nellie Mamie and I all went down to Greenbush to Mrs Maudo came back in the evening and Gerald brought us home

MONDAY 7 (220-146)

warm day around home in the forenoon I went up to shop after dinner and tore down old Bunks until supper time cut some Burdocks and weeds around house in the evening we got word that Nat Cockrill was dead
