OCTOBER SUNDAY 14 (287-78) 1923

rained all the forenoon we did not get up untill late Mamie went to Church it cleared up at noon around home all day Dr. Young in for a while this afternoon. very long sad. Lonely day We went to bed early tonight

MONDAY 15 (288-77)

fine warm day. I worked all the forenoon fixing up the pump in the cellar Mamie and I finished picking the apples in the afternoon we went up to John Heanies in the evening to see about getting some more apples we could not get any. Mrs Cockrill and Gerald. Ossie and Hazel here tonight we went up to the hall to the Babes in the woods show Mrs Cockrill kept the baby for us and the rest all went to the show

OCTOBER TUESDAY 16 (289-76) 1923

lovely day and very warm I fixed up the balance of line fence and took the stricken off over to bank balance of forenoon I wheeled over the block of the cement walk and filled them in for the Engine room floor in the afternoon and went down and got some Gravel in the evening Elsie quite sick today

WEDNESDAY 17 (290-75)

lovely warm day. I cemented in the little Engine room floor in the forenoon built the steps in Engine room after dinner and painted part of Verandah floor in the afternoon Dr Young here tonight Mamie and I sat up almost watching Elsie leg.
