

Alie, Margaret & Alice Stevens came up  
to see about dresses for the float and I  
found them here when I got home.  
Wednesday.

Wednesday went down town for meat. Geraniums  
June 2<sup>nd</sup> and Salvia came. Helped Mr.  
Clifton a little with them. Wrote to  
Clare. Went down to Mrs. Cunniff for boy  
lesson. Found Mr. Dyer and girls  
waiting for orders re float when I  
got home. After tea Mr. & Mrs. Dyer,  
Charlie, Duncan, Margaret, Alie,  
Margaret Fry, Frances, Isabel, Margaret  
& Mary Steven - and Annie Swan  
were all here and we were all  
busy working at the 2 floats - which  
were in the back yard - "America  
Aids Canada" and the Horticultural  
float. It rained about 10 drops  
on 20 in the evening. Much cooler  
after tea.

Thursday got up at 5.30 a.m. Mr. Dyer came  
June 3<sup>rd</sup> along about 6 a.m. Put up flags on  
pole, house & play house. Helped  
on floats - and got them started.
