

November, 1931

25 Wednesday. Cold and windy snowflurries. Vernon finished gravelling the lane this forenoon and this afternoon he and Walter gathered wood in the bush for boiling maple syrup next spring.

26 Thursday. Looks like winter this morning. First time the ground is covered with snow this fall.

Clear cold day. Vernon & Harvey Reist cut wood in our bush all day and Harvey was here for dinner & supper. Walter & Ella went to Elmira this afternoon.

27 Friday. Cloudy & cold. Snowflurries. Vernon & Harvey worked in the bush all day. Walter took a buggy ride to Andrew Goff's and Creekbank and spent the afternoon. Ella baked Christmas cakes today.
