185 DAYS PAST ~~WEDNESDAY~~ 181 TO COME

Hemic Sufficiency

must be restored in conditions of general vital depletion. Pepto-Mangan (Gude) eligibly supplies the necessary material for such hemic restoration and systemic reconstruction, in palatable, tolerable, readily assimilable and promptly efficient form.

Weather

Temp.

Rained & thundered & lightened last night but very hot all day. Girls & I have been painting at the house. Maudie went to Kingmill for paint; John started his haying. Dr. Pickering was here last night & again today. For Lady Elgin & Albert's trip up to my house - John & Aylmer Mariah & Bille
