122 DAYS PAST

244 TO COME

April 13, 1907.

Dr. H. E. Small, Seneca, Ill., says:

"I have given your Pepto-Mangan (Gude) a clinical trial and am so well pleased with the results from its use that I shall continually bear it in mind and prescribe it in cases where its use is indicated."

Cold & windy. Mrs & Maude
was up to Aunt Bells for
dinner. Then I got a bag
of wheat made in Graham
flour. Then they went to
Aylmer & Mrs got some ice
cream & a fine apple for
Melba. Lorn is out to right.
John got a great shed got
a load of hay. John is down
to sheds
