116 DAYS PAST

250 TO COME

Abstract of letter from Dr. José de la Vega—Continued. the number of red corpuscles amounted to 4,000,200, and a gain in weight of seven pounds. The different gastro-intestinal symptoms had disappeared, the improvement in her general condition was so notable that she could rise and go about firmly, the palpitations, the headache and buzzing in the ears, as well as the edema, having disappeared. The appetite was good and she was able to take whatever kind of nourishment she desired.
