FRI. JULY 8, 1898

Wea.

After I had breakfast
I starched the clothes and
ironed them, about 3
o'clock Thomas came up
from Halls, and asked me
to help him pack up as
they were going home
After tea I made a bouquet
for Mrs Jos Marshall, and
took it to her, as I was taking
Mr Grahams shirt home

I got up and made the
hay and after breakfast
I had to drive the horses
on the hay fork all day
I did my work while they
were getting the loads
This has been a beautiful
week for the hay

very cool tonight
