120 DAYS PAST

Tuesday

246 TO COME

Sciatica.

Spray the limb over the sacro-sciatic notch with an ounce of sulphuric ether, used with a common nasal spray. The finer the stream thrown by the spray the more rapid the freezing effect. Ethyl chloride may be used, but gives no better results, and is more expensive than ether.—*Exch.*

Weather

Temp.

Warm & bright

Mr M^c came this morning
Maudie & Grace went to school
John M^c drew manure on
the garden & ploughed it
Melba & J. went to Aylmer &
then after tea we went
to King's mill. We put
up the grape vine

Billy & Mariah 6-
