SAT. SEPT. 24, 1898

Wea.

This is a cloudy day
George and S. A. and
Will Graydon went to
Caledon to the funeral of
Dr. Thompson. W. Leneben
went up last night on the
train, so we had all the
work to do attending to the
horses and cattle and pigs
besides all my Saturday
work. Gas was up at night.

SUNDAY 25

Wea.

George and S. A. came
home last night from
Caledon. but we did not
get down to Church as the
buggy is not home yet from
getting repaired, but the
boys and I went to Chelt-
with Hendersons. we did
not have the regular service
as it was childrens day
