183 DAYS PAST

MONDAY

183 TO COME

The Causal Neurosis

having once been remedied, the anemia of neurotic origin is amenable to steady and rapid improvement through direct hematinic therapy. Pepto-Mangan (Gude) is the one non-irritant, distinctly palatable, easily tolerable, and readily assimilable hemic reconstructor especially applicable in such cases.

Weather

Temp.

Very cold, & we
needed a over coat, & mittens
all day, when away from
the house. We sowed turnip,
& carrot seeds, & painted
at the house. It rained a
some to night. John & Maudie
went and met Eugene
with Polley. John & Mr Chalk
has been putting up a hay
rack track in the east
barn. Cecil was home but
went back to Leighton. Mr
