JULY SATURDAY 22 (203-162) 1922

Fine but very warm today Ossie came down and Fine and I went over to Farm and Fine and I drew the timbers from the house to the Barn and built the front buttments under the barn in the forenoon and we started raising the Barn in the afternoon Mary Jac and Percy here in the evening very tired tonight

SUNDAY 23 (204-161)

rained hard all day around home very long day I did so little writing this evening

JULY MONDAY 24 (205-160) 1922

Fine day Ossie came down and we went over to Farm Geo. Moore went with us we finished raising the barn and built the gangway Jac Domer helped us all day and Garfield Domer helped us in the afternoon over to Office in the evening

TUESDAY 25 (206-159)

Fine day Ossie came down and Fine and Eric and I went over to Farm Ossie mowed in the forenoon I boarded in the little mow and took out the old plate of house. Ossie and I drew in five loads of hay this afternoon we worked until late tonight very tired and not feeling very well
