

I have some 2 1/2 loads of wood here at night
 Hick & best drove 2 loads of wood to the road
 where the roads is packing
 Rev. Mr. Daudley preached in the morning
 Hick & best drove 2 loads of wood to the Rail
 road they brack 3 balts out of those stough
 had to get them put in at the shaft
 Hick went to the G corn to draw saw logs for
 a house in that place in towny is the mill 21 name
 best & me took 26 bushel of oats to G road for
 to grind for the cows the roads is nearly bare
 Hick went home this morning the roads is so
 that there can be no drawing with his stough
 best helped me to clean 40 bushel of oats in
 at the mill we brack them into the raggs
 at 2 we went to Eratt with the 20 bag of
 at this morning brought them home put them
 in the bin to be used in the house
 we went to Dora with 2 1/2 loads of
 5 load of sawdust to be born for
 saw between the house & lower down it
 was in fact with some sawdust
 (some sawdust)
 we went at night
 snowed about an inch & half

- 14 hard frost this morning DD come home from Youngs with the cutter I took the horns out to the road Wallace went to Eratt to Mill
- 15 DD got Jennie & had she interfered I helped him load a load of sawdust for the icehouse at the road
