265 DAYS PAST

Sunday

101 TO COME

**While Causative Therapy is Under Way**

the secondary Anemia of a constitutional infection or diathesis should not be entirely neglected. **Pepto-Mangan (Gude)** can almost always be given, with distinct advantage to appetite, digestion and general well-being, during the continuance of such other treatment as may be indicated.

Weather

Temp

Rained hard nearly all day. Mr & Mrs Shewers was here all day & we enjoyed them very much as it was such a long dreary day. Beech was over a little while & in leaf
