

Saturday Feb. 19/21

I delivered mail with Queen and Dick. Ed. English, delivered on the Downline.

Roy and Maude went to Chatham on the nine back from it - burst. Mabel and Charlie came home on the 5 p.m. Maude missed the 5 p.m. car and is coming home on the 9.30.

Bought 4 loaves of bread, 5-2 lbs.

The day was fine and thawed some but is cold and freezing again. Maude and Roy came home on the 9.30 car.

Maude tried on Mabel's new coat.

Sunday Feb. 20, 1921.

I went to Church in the morning. The others were not very well and didn't go - Mabel thinks she is getting the mumps.

The sacrament of the Lords supper was administered at Church. Charlie came home with Mabel last evening and went back to Raincoat this evening.

The day was very fine.
