

Sept 1859

& the hooking of the peas

Sept 1859

- 1 finished cutting the spring wheat in the second field & the chene wheat that I got from J. Robinson ^{the sold 77} Ramsey very good not so stiff straw as 17
- 2 began to cut ^{oats} below the house grad but rather thin all leaning warm day 18
- 3 worked at the oats in the forenoon then went to Samuel Brevel with John DeKlerk to look at a farm off Mr. Shoap's not what I expected very warm day 19
- 4 looked the farm & came home 20
- 5 began to draw dung in the pea ground for the fall wheat drew in the fall oats. I cut 23 stalks of the spring wheat before the little orchard rather green ^{to night} heavy rain 21
- the Rev. Mr. Benning preached in court town 22
- 7 cut more of the spring wheat & circling to the pea ground had Rebs horse with Bet. maine Jack began to 23
- 8 worked at the wheat 24
- 9 ~~40~~ ~~20~~ ~~40~~ 25
- 10 Began to saw the fall wheat sawed ^{bushel} 26
- 11 Jack & Margaret went to Rockville with A. tub butter got 10 1/2 per lb 27
- 12 Sawed 4 3/4 bushel that is 8 3/4 bushel in the field south side of the road west line 28
- 13 worked at the wheat Jack water pured the wheat fine weather 29
- the Rev. Mr. M. P. Henry Preacher in town ^{town} october 1
- 14 worked a little at the wheat John young came here on Saturday went home to day 2
- 15 rain but night much cutting the wheat 3
- 16 began to cut the oats in the hanpiss field drew in some of the wheat 4
