147 DAYS PAST

218 TO COME

Believes It the "Best on the Market."

A well known London physician reports as follows: "As I have already stated to your British representative, I regard your Pepto-Mangan (Gude) the best in the market. You can hardly tell me anything about it I do not know, as I have ordered it constantly for the last four or five years."

Weather

Temp.

warm, followed by thunder & lightning and a fierce rain. Girls wheeled to school. Papa went to the north place & took Mr. Condon with him to see about plastering. finished Melba's silk dress & cut and nearly made Maude's. Eugene and Mr. Thompson went to Mr. Ashton's to look at a cot.

Maude bought her Milly's patent leather shoes. - Break them in next day.
