

November, 1929.

27. Wednesday. Cold & windy
Snowflurries. Vernon & Harvey were
cutting wood all day for H. Schmidt
Walter visited at Earl's and Noah's
this afternoon. Mr & Mrs. Wilfrid
Underwoods and Mr. & Mrs. Orice Davison
of Bridgport visited us tonight.

28. Thursday. Cold & stormy.
The boys were working in Schmidt's
bush. Walter called at Sam Horst's.

29. Friday. Cold. Snowing
and storming. The boys were
in the bush. Francis Lynch
fixed the water pipes at the barn
and was here for supper. Ella
cleaned the kitchen.

30. Saturday. Cold. Real
bizzard blowing. Our lane has
a drift four feet deep in it and
the road up to King's bush is getting
heavy. One motorist had to come in
here for assistance.
