MARCH TUESDAY 9 (69-297) 1920

It was quite a nice day I went after a load of salt for the factory and drew manure in the afternoon

& It was quite warm I just done the chores and drew out a few loads of manure for Adams and I went out to Mrs Jack Byres funeral & I went over to prayer meeting Fred & Florence went to Drogheda to see about hiring with Stephen

WEDNESDAY 10 (70-296)

It was quite a nice day I drew manure all day

9 It was a very wet day I just done the chores and went over to the corner in the evening Joe came along
