SUN. Nov. 27, 1898

Wea.

It is very cold this ^{ing} morn.
This is the day of the
anniversary services at
our Church, but we did
not get down as George
is not well, I always
like to go to Church when
I am well, It seems a
long time since I was
there,

MONDAY 28

Wea.

I rose this morning early
as I wanted to finish the
pencil drawing of the cow
for Robert. I blacked the
stove and scrubbed the floor
in the morning. I did
the drawing after dinner
Robert came up in the
evening. he was well
pleased with it.
