173 DAYS PAST

192 TO COME

Disorders of Chronic Nature,

whether nervous, digestive or circulatory, are frequently anemic in origin. This fact is realized and its importance appreciated by the observant clinician. **Pepto-Mangan (Gude)**, by attacking the operative cause of existing pathologic conditions, places the organism in position to resume normal functionation.

Weather

Temp.

Rained quite hard
last night - John took
Mella & Maudie & I went
for her. We was in to see
Mrs McLeay, & Mrs Liser came
& Mrs Miller. Mrs McLeay & Miss
I went over to see them
putting the new sundown
in the church. Men finished
cutting bushes. very cold of rain
& a frost.
Billie & Polly & Maudie
