

May

TUESDAY, 31

(151-214)

1910

It was showery in the forenoon I
fixed the boxes Herbert & I drew manure
in the afternoon the teacher came out &
stayed all night I went up to prayer
meeting in the evening

June

WEDNESDAY, 1

(152-213)

It was a dull day John Marguerite put
up the wire fence & ploughed the head
land and turned out the bay colt I went
down to Arnold Smith in the evening to get
him to help me

THURSDAY, 2

(153-212)

It rained hard pretty much all night
Archie was sick I took his milk to the
factory and helped do his chores at night
Ada Ray & Jennet went out to Mother's for
dinner I put on some sap boxes on the
bees & drew out some manure
