Tuesday 19

Nice day. Mr Ashmore came to
night with his Buckstable.

We have had a fine visit with
him. He has come to the big
convention at Toronto. Melba
& I went out to Jack's school-
house, to see a man, to put
down a hard wood floor. Then
we went by way of Lake
Whiticeau to Tilsonburg, to have
Melba's teeth fixed. John &
Melba have been mowing
the lawn. Mr Matthews animal
got in with our cows to day.
