249 DAYS PAST

THURSDAY

117 TO COME

Devoid of Undesirable Qualities.

A preparation of iron that is acceptable to the palate, free from the manifest disadvantages of irritation to the stomach, astringency and corrosive action upon mouth and teeth, is an eminently eligible product. **Pepto-Mangan (Gude)** is positively devoid of these undesirable qualities and attributes.

Weather

Temp.

Rained some
had a terrible wind
at one blew one of Ben's
Compass windows in
& a locust tree over Clarence
Skinner's house Eugene
& Della was over to night
I canned bears & plump
all day, Eric Abell was
up & got bears. Mr Cox
was over & helped John
fix his pump Maria's
