THURS. DEC. 1, 1898

Wea.

I rose and made the fire and prepared the breakfast, the boys went to school, Mother and I prepared apples and I made apple butter with the cider, there was not much cider as we had not many apples it is very nice

Ther.

FRIDAY 2

Wea.

I rose this morning and did the house work and then went down to see Mrs Graham she is not near well, I was there for dinner, and I did some baking for her Aunt Abbie was there too, I came up with her, and called there for some mail
