

Took car and
 Bertha, out to house
 this morning as
 usual. The Rev.
 John Saybrook preached
 both morning and
 evening. Our mind
 set was away to
 Stratford. Gidding his
 pulpit there.
 Took dinner with
 Miss Giddens. Went
 to Sunday School at
 Stratford. Called
 in to Rev. Mont-
 gomery before
 tea for an Bible
 article. Had some
 interesting talk
 about religious
 matters.
 The night weather
 still continues, as
 usual as ever.

Lewis and I
 have got the new
 cowstable very
 nearly done. So
 much so indeed
 that we have got
 the room all
 occupied that is
 available.

Ma and I went
 out to town this
 afternoon, mostly
 for the purpose of
 attending the
 Oyster Social at
 the house of Bro.
 Phucathen Ellis.
 Had a very en-
 joyable time
 indeed with a
 goodly house full
 of attendants.
 Everything was con-
 ducted very nicely
