

June, 1926

7 Monday. Changeable weather  
thunderstorm and rain this p.m.  
Walter took pigs to Elmira Fair and  
sold some of them. Aubrey was  
harrowing. Vernon & Ella did the  
washing and Ella did the ironing.  
Walter & Aubrey went up to Ausley  
Rankin's tonight. Ella transplanted  
the stocks

8 Tuesday. Cloudy & cool.  
Walter butchered a beef at Harvey  
Schmidt's this forenoon. We put the  
cows and young cattle down in the  
meadow this morning and had a  
wild time with them. Vernon & Aubrey  
brought home the pig Walter bought  
at Rankin's last night.

9 Wednesday. Fine day. Walter,  
Ella & Vernon went to Guilph to the  
O.C.C. today with Ephraim & Enoch  
Snider and spent the day there.  
and enjoyed ourselves very much.
