

just in time.

Sun 22nd. Sarah & I went to John St. Church with
P. & Emma in A.M. - We all went down
to see the Blandina in afternoon - Afraid of
falling through the wharf as we tried to get to
her. Climbed on ladders over R.R. tracks waiting
for jumbo train. After tea service we three
went to Centenary Church. Heard lovely music.

Went to Wallace's & stayed all night. Eva
Wilkinson (Sarah's niece) there also and visit.

Mon. July 23rd. Barrum's Circus in Hamilton.

Went down to James St. & see procession after
breakfast. Met Wm. & Dan Gray who had
driven the girls up to see circus. After
the procession we all went to the grounds.
But circus not commenced so we entered
a side show - saw a man without legs
but had feet - another with arms or hands
a white silky haired bushy-headed young
man who could imitate birds & animals -
two women with hair six feet long - four
giant brothers - a masculine woman with
braided face - also a beautiful Circassian woman.
Sarah got her photo. Gula & Black age 19 yrs.
