

1885

April 19 I attended the Sunday School the attendance medling Sunday

20 Ad was ^{at} Mr McKills most of the day his Black cow
is sick very warm day

21 Ad helped Bruce to saw wood in the afternoon

22 they finished sawing this forenoon then the Boy
drew two loads of hay from the stack at ^{the} crossroad

23 they got the stack all at night put it all in the new
and old barn very warm day

24 Ad went to Escott mill with 15 Bags of oats and
brought home the grain that he took the 1 of March

25 Ad is doing chones windy day the snow nearly gone

26 I attended Sabbath School & heard Rev Mr Lye
preach this morning heavy rain most of night & day

27 the lime cow stepped on my foot I cannot get on
my shoe Ad & wat is doing the chones he
sawed clover and Timothy seed on the Fall wheat

X 28 Ad took the milk to the Factory this morning
this morning for the first I attended a meeting of
the Session in the church Messrs Inman and

Herbin and me was all the Elders present Rev
H. Greaney Moderator Mr Greaney reported that he
had a letter from Mr Maclean that he could get

4 Mr Rags a student it was agreed that we would
take him for the time being there was fearful storm
of wind and snow from East Mr Herbin stayed all night

29 not much work done except doing the chones

30 Ad laid the bottom rails of a middle fence from the
fall wheat as far as the rails would come

snowed
about 4 inches
this morning
