

W. A. M. S. Campbell's Island Oct 7th 1871

Started thinking Thomas Munroe would be after the sheep gathered some nuts peeling some wood cut a few swaths of marsh Hay set 2 traps a fine Day Wind West Ducks scarce Water plenty Burnt on Na Houtas Island Keeping in the sheep thinking he will come for them water very low snakes plenty Bismarck very sick

8th Race up the Prince Louise and the City of Hawaii 9th a fine morning Gordon and I went to Luke's Bay for the 3rd Spear got the Spear and a Broken Bone Luke thrashing at Bills seen Mr Lesslie and James Hopkins at Paul Jos's counting partridge had a chat with them and a good coo of old Rye coming down the channel we had a pretty strong breeze did not like to stop on the Hog Island for fear the wind would be worse so we kept on in the Gale landed and cut some hay in the 7th or 8th marsh 10th

Big Blaze and Birth Day smoky windy Big fires over on the south side of us in the Marsh I think there must be some stacks burnt 11th Flamed

Williamstown Boat Racing in Dundee James Hopkins and Peter Buchanan's Henry Fenice son and Johnston of the Cherry Island Lighthouse

Wind high or else I was going to see them 12th Raining smoky Windy blowing some 13th Making a stack put 5th rocks in it 14th

Rat cut the wings of the Eagle set some traps Water very low Heard geese But did not see them Raining to night thought to crop but did not go Bismarck very sick gave him spirits of Turpentine new moon this morning a Great many Boats and a good lot of Sowing

W. A. M. S. Cameron's Island Oct 15th 1871

Sunday Seen Wild Geese High High very high Wind very Bad with a Pain Took in my side 16th very unwell in Bed all Day 17th not very well took down the Retition took in the Carrots and Beets 18th St Lukes Day First snow

Very stormy Raining 19th very heavy Thunder and Lightning to night 20th a change in the moon splitting some wood 21st Went to Summerstown

Crossed to George Kershaw's with Fitzpatrick all Day on the Island very cold and no fire made out Georges steam boat Bills

Crossed with Fitzpatrick and Jessamas wife to Summerstown stop at Georges

all night Babbell here stop on the Pitt Point fishing with his nets Sunday

Bought of A J Baker 12 Quarts Kerosene oil 2 lb Tea on Credit 1 plug of Tobacco matches paid this Sunday D came home

Just got home when the wind commenced to blow went to the Pitt Point to give Babbell some Tobacco Found a Canoe

2 3rd little Livinia Birth Day 1868 Finding a place with rails for to build a stack or putting up the hay that

was blowed down Tried for 2 1/2 got no one took Round the Canoe
