290 DAYS PAST

W E D N E S D A Y 76 TO COME

March 18, 1907.

**Dr. F. B. Carleton, Salem, Mass., says:**

"I consider **Pepto-Mangan (Gude)** by far the best of all the chalybeate tonics, and I think I have tried most of them."

March 14, 1907.

**Dr. H. C. Crag, Cincinnati, Ohio, says:**

"In cases of blood poverty, I always prescribe **Pepto-Mangan** and have had good results."

Windy & raining all the afternoon & still at 6:15  
Took seven more supers off the bees, had some honey in them. Charley Marchant was out for a load of straw & brought some veal hearts & tongues. John ploughed this forenoon. George Davis has been drawing out milk this week.
