

1932

May 18

Weather - lovely warmer day.

men baled straw all day, had to get 2 extra men John & Jack Thomson in p.m. had 10 men sup with our own, John came up after supper for Laura, later Pat & Marion went to Art Brown's

Thurs May 19

Weather - lovely bright day.

men burned brush in orchard. Pat did etc. Got brown down for 2 loads chaff to day. I washed & ironed to day. Pat & Marion went out to Arthur at night to pay him. Cora & Hazel spend evening here. Norm went practice for next meet today, Mrs Joe Calverts <sup>(annual)</sup> meeting, Les 2 loads straw to day.

Frid May 20

Weather - lovely warm day.

men burned brush in orchard & cultivated & disc in a.m. & sowed oats around colony house for chicks. Les took 1 load straw Pat & Marion delivered groceries on South trip a.m. Della arrived home from Guilph at 5:30 p.m. with Browns, Lorne called later & took her to Madvern, Newton brought mother up to stay here while they all were at the dance & Pat at Lodge. Marion tumbled into ice cold water in vat.

Product - 9 pts Cream, 1 bus apples, 12 doz eggs <sup>no</sup> bag potatoes

Sat May 21

Weather - bright, cool & windy.

Douglas went to market home at noon, he & Norm started to spray trees but broke something, so D & Marion went out to Richmond Hill they ploughed south of garden, ploughed little sand field in a.m.

After Della did her scrubbing we changed the beds, brought single one down to our room. I had a terrible night. Pat cut front lawn right to her coaching class. Les car broke down at St Thomas on way home.

1932

Sun May 22

Weather - lovely bright cool day.

Norm went away after breakfast, but home in time to get ready for church, Douglas & Marion went also. She was real good, Lorne & Della here at night. Laura went to city to - night (D.B.) Leda & phoned me p.m.

Mon May 23

Weather - lovely warm bright day.

We washed & I ironed for 1/2 hr after supper, then Pat cut Marion & my hair. Pat & Norm sprayed orchard here in a.m. went out & did Cunningham's Kelly then went over & did G.B. palgets, chopped after that till Christ time, Doug ploughed all day with team, Della went down to Hards in p.m. & attended 3 p.m. debate & social at church at night also Norm. Ruby forth up to day. I'm here to see about getting baling done. Natice bring up in her own car tonight.

Tues May 24

Weather - Ideal day. bright & fairly cool.

Doug took day off, had team in a.m. & gathered up a load of wood out of flats for himself, Norm ploughed all day, Douglas sprayed chicken house in a.m. with giblets. Douglas & Norm alone for the milking, washed both cars at night. Lorne over & took Della away at night. I put in lazy day.

Wed May 25

Weather - partly cloudy with nice shower at night (thunder storm).

Doug harrowed all day, Norm ploughed in a.m. & moved bales to Mrs Lees after dinner. Douglas & Marion went to city a.m. returned home at 3:30 p.m. he got baling wire, they had dinner at his mother's, he got Marion a pair of sand & brown shoes. Norm went away at night. Della cleaned

South veranda in p.m. & went down to Hards in p.m. with Charlie & stayed to her coaching class. Les car broke down at St Thomas on way home.
