MON. FEB. 28, 1898

Wea.

I got up and made a fire, we then had breakfast. I attended to the house work in forenoon and in the afternoon George, S. A. Veira and I went to W Coles. we found them at home, we did not get home till after 9 o'clock.

Ther.

TUESDAY, MAR. 1

Wea.

Well I am really ashamed of this page, as there are ~~so~~ many blots, my pen seems to let the ink out too free, I took Virca down to Thos McClures she is going to stay till tomorrow evening. It is beautiful weather
